Services

We provide consulting and information services on the program, language testing, assistance in documents' preparation and filling in, including USA visa applications, assistance in job and place of residence search on the territory of the USA, drawing up of International Student Identity Card (ISIC), orientation meeting before the departure, assistance in airplane tickets booking and tax refund. Also we give information and answers on questions of students who are in the USA.

The difference in price depends only whether job offer is included in the program price or not.

Fees

Registration fee – 5200 rubles,
Program price including job offer - \$545,
Program price without job offer - \$470,
SEVIS fee - \$35,
Consular fee - \$131,
Health Insurance (4 months) - \$100.

The price of airplane tickets is not included in the program price. Students can book tickets with the help of ISIC in accordance with the international rate. Our company is a representative of the agency “Sputnik ISIC”. We also have an agreement with “AVANTIX” and we help our participants to buy tickets in accordance with the youth rates. On average the price of the ticket Moscow – New-York – Moscow amounts to \$750 – 800.

In the case of visa denial we make full refund of amount deposited except the registration fee of LLC “Alvesta” at the rate 5200 rubles and the registration fee of the sponsor at the rate \$100.

Other Services

If a student takes part in the program with an independent job offer, the airport pick up is not provided. If a student has a job offer from the program sponsor, the sponsor organization representative will meet the student at the airport.

We carry out verifications together with the sponsor organization. Also we call parents of our participants in order to get precise information on the participants.

Our American sponsor has his own department of work places containing vast data base of work places and residence places. With the help of it students can get information in case of problems with their work or residence. Also if student has any problems he can contact us or the sponsor.
