Business started in 2003

### Services

We provide total support on Work and Travel USA program including consulting students before registering on Work and Travel USA program, work search in the USA, assistance in preparing Work and Travel USA documents, airline tickets reservation, preparation for the Embassy interview, support in difficult situations in the USA. We provide equal services for all the students and there are not different prices for various categories of participants.

### Fees

The charge for our services- 5850 rubles, which includes purchasing airline tickets is optional category (if students ask us to buy them we can do it on student's money). Tickets are not included in program cost. If refused visa, we refund all cost of program minus consular fee, SEVIS, and visa sponsor penalty.

### Other Services

- We can ask our visa sponsor to organize meeting at the airport for additional cost
- We support our students abroad and we make all our efforts to assist them in case of problems. Students can also call BUNAC (our US partner) office in New York.
