**ccusa** – we charge 10705p. (with visa insurance participants get back all money except insurance fee)

**weusa** –13275p. (with visa insurance participants get back all money except insurance fee)

## Other Services

Students can be met at the airport.. For camp counselors participant’s orientation is included into program fee, for weusa participants orientation is of their choice.

Together with American office we collect all information about camps and placement employers. Also American office offers 24 hours free support telephone – where participants may call and ask for advice or help if they need it.

During pre-departure informational meeting in Moscow we inform our participants about their rights and duties. We provide all necessary call and contact information and discuss common problems that students may face for example a problem with housing. Our participants may use 24 hour support telephone in while in USA or email our office for a help.
