Services

- We provide the students with information about Work and Travel Program
- We help students with application forms, CV, motivation letters, which our Sponsor requires
- Search of Employer in the USA
- We help students to prepare visa documents
- We provide students with information about available air tickets
- We help and support our students during their stay in the USA

Fees

Program (with job offer) 24000 rub, tickets are not included;

Program (self arranged) 19000 rub, ticket are not included.

If visa is refused, we charge 5200 rub from the Program fees and the rest amount is refunded to the student.

Other Services

We do not do airport meetings yet, but we plan do it next year when the number of SW&T participants rise.

Each student sends us an e-mail upon arrival. It is mandatory part of our work with students.

If a job or housing falls through, we immediately contact the Sponsor and inform them about the problems, if there are some. We have very good Sponsors and usually we do not have any problems with them. All job offers are checked.
