### Services

Pandorada Ltd is a multifunctional company. The students are provided with the following services:

- a) English language courses (including TOEFL and EILTS programs)
- b) Seminars: Basic Facts about the USA
- The Recruiting Agency “Pandorada” – a new line of activity was J-1 Summer Work and Travel USA 2008 Program for Students.  
The students are encouraged to enhance their knowledge of English and some services might be provided free of charge or at a discount rate for the English language learners.

### Fees

Summer Work and Travel fees are 8000 RUB. This year the tickets are not included.

If a student does not obtain a visa we refund 100% of our agency fee.

### Other Services

The representative of the CET USA is to meet the students at the airport.

Our responsibility is to check both the pre-departure period and the period of the students' stay in the USA, working in close contact with the CET USA, helping out with job and housing related problems if necessary.

The students are to inform the CET USA and Pandorada Ltd about all the problems which might arise. The participants of the program are given all the contact info and the contact persons (both in the USA and Russia) are available 24 hours.
