Services

Charges the program minimum cost and offers such services as Job Placement, DS 2019. SEVIS and US visa fees additionally.

Fees

Standard fee of \$950 per each student
Air tickets are not included into the price, but are offered at very reasonable prices
If visa is not issued, refunds all the program cost except the registration fee (\$100 keep our sponsor and \$100 keep the agency)

Other Services

Depending on Job Offers, students are recommended the nearest airports, where their employers are ready to meet and accommodate. We have concluded the agreement with the American company "Papa carlo" which renders service on a meeting and placing of students.

Our agency insists on our students` arrival reports. In addition, we oblige each student to call back to our Russian office. As for job and housing, our sponsors travel to check work and accommodation conditions personally.

If the job and/or housing fall through, our sponsor changes a place of work and apartment for the student within of 24 hours.
