Web Site:

Business started in 1996 with Language travel and Work Experience programs, but with SWT USA since 2003.

Services

UROS Ltd provides a complete set of services required to participate successfully in SWT program.

- a) screen and recruit eligible potential candidates as per requirements of USA State Department;
- b) conduct interviews with potential candidates to evaluate their maturity and test them for their English language proficiency;
- c) assist and consult participants in SWT requirements as well as select placements to arrange job offers for them according to their capabilities, merits and English level proficiency;
- d) prepare participants' documents for their submission to USA Embassy Consulate section and arrange consulting for SWT participants prior to their interviews in USA Embassy assigned. Organize and accompany participants during their interviews. We supply them with DS 2019 forms, Job Offers, medical insurance, Participants' Handbook;
- e) arrange orientation meetings at the agency prior to their departure to USA.
- f) being Lufthansa Agent we can book air tickets as well as offer other air companies for participants to chose suitable destinations and flight;
- g) issue ISIC in our office;
- h) being Ingosstrach Agent when necessary we can also issue medical insurance to our participants.

Fees

We charge 3,000 rubles as a registration fee which includes English Language proficiency test as well as SWT Program consultation.

21,500 rubles are charged extra for SWT program arrangements.

Air ticket is not included in these charges.

We refund all fees paid except English language proficiency test charges and SEVIS fee alike.

Other Services

We usually monitor our participants while they stay in USA by contacting them by e-mail. All

our participants are provided with 24 hour emergency phone by which they are free to contact should they face any difficulty with jobs or accommodation to tackle any problems they encounter.

Should we receive any information from a Participant or his/her parents regarding unsuitability of the job or accommodation, we communicate with our American sponsor regional outreach coordinator to tackle the problem our Participant face. We utilize all means at our disposal to find another placement or accommodation, whatever required.
