Business started in February 1992 when our organization was officially registered in Russia. YFU-Russia is non-for-profit organization. Our Charter was ratified in 1991.

Services

Youth For Understanding Russia responsibilities are:

- Rendering assistance in participation in cultural educational program,
- Testing and selection of the students,
- Help in complete package of documents preparation,
- Students' registration online on Alliance Abroad site,
- Information support (YFU-Russia informs students about the interview in the embassy, about the orientation meetings, about all changes, which occur in the course of program),
- Students' preparation for the interview in the embassy,
- Coordination of student's departures after receiving of the visa,
- Organization of pre-departure orientations. In New-York students attend Alliance Abroad orientation
- Permanent contact with students and their relatives in the course of whole period of the program, assistance in emergency situations (e.g., if student lost his documents).

Fees

Program costs \$1,760-\$1,950 depending on the time of payment (including international flight deposit).

All students have insurance, which covers the losses (visa application fee, SEVIS fee, processing fee) if visa is not issued.

Other Services

All students come to the USA strictly accordingly to orientation dates confirmed by our US partner Alliance Abroad. Alliance Abroad representatives meet groups of students (minimum 10 students in a group) at the airport and drive them to the hotel. Students stay overnight in the hotel and attend the orientation in the morning after breakfast.

All students MUST participate in Alliance Abroad orientation where they fill in and sign necessary documents, including application for Social Security Card.

The advantages of Alliance Abroad program:

- Guaranteed host company and housing;
- Area representatives in all states where the students work, students' assistance and support in difficult situations;

- Pick up at the airport and orientation meetings in the USA with completing all necessary immigration and tax documents;
- International health and accident insurance;
- Visa and information support;
- Convenient online service.
